JEANNEAU YACHTS

INVENTORY

CONSTRUCTION

- HULL : Solid polyester / fibreglass hull. Wood fibreglass frame
- Reinforced Kevlar®
- Reinforced polyester engine bed.
- DECK : Balsa sandwich deck for rigidity and insulation.
- Deck liner
- KEEL : Epoxy encapsulated cast-iron keel - 2.30 m - 5000 kg
- Optional shorts keel, epoxy encapsulated cast-iron - 2.00 m – 5400 kg
- WOODWORK : Hand-selected blond teak

DECK HARDWARE

- Stainless steel double sheave bow fitting
- Open bow pulpit
- Stainless steel stern pulpit with buoy bracket and flagstaff holder
- Double lifelines – port and starboard lifeline gates
- Teak rubrail with built-in chocks
- 4 mooring cleats with 8 stainless steel chocks
- Anchor locker
- 1500 W 24v deck-mounted electric windlass
- Spinlock jammers and Harken turning blocks for halyards and control lines
- 2 Harken 70.2 STC cockpit coaming winches for genoa sheets
- 2 Harken 46.2 STC roof winches for the main, genoa and spinnaker
- 2 Harken genoa sheet tracks with adjustable ball-bearing Harken fairleads
- Genoa sheet turning blocks
- Harken adjustable mainsail traveler on roof
- Folding gadeyes on deck (2 + 3)
- Padeye for spinnaker pole downhaul
- Fibreglass halyard cover, roof handrails, companionway and cockpit handrails

COCKPIT / STERN PLATFORM

- Twin-level cockpit, teak batten seats and floor, two side lockers with gas lifting shocks
- Central locker for liferaft or storage, gas locker for 2 bottles
- Two large lockers under helm seats, access to steering system
- Engine control on starboard steering console
- Cockpit table with folding sides, central storage, cup holder
- Stainless steel fiddle and handrail with light on cockpit table
- Room for electronics on each helm console and under cockpit table
- Teak batten stern platform steps and bottom
- Hot and cold cockpit shower, inlet for shore water
- Folding swim ladder with teak steps and cover
- Watertight stereo loudspeakers

STEERING

- Twin steering wheels, self-aligning rudder bearings
- Stainless steel cable steering, moulded aluminium quadrant
- Fibreglass rudder, stainless steel frame and shaft
- Rudder tube fibreglassed to hull

MAST / RIGGING

- Keel-stepped furling mast, fractional
- Triple spreaders, through-mast connection
- Discontinuous wire rigging
- Genoa furler, above-deck drum
- Rigid boom vang, all halyards led to Spinlock blockers in cockpit
- Harken mast step blocks on deck fitting
- Watertight mast passage deck fitting
- Removable mast casing for access to cable connections
- Folding mast steps, deck lighting under spreaders
- Boom topping lift, mainsail halyard, genoa halyard, spinnaker halyard
- Set of high-quality mainsail and genoa sheets
- Flag halyard strap-eyes

SAILS

- Furling mainsail
- Furling genoa with foam luff and UV protection strip

WINDOWS/ VENTILATION AND CURTAINS

- Eight fixed hull ports with curtains in cabins and blind in salon
- Six opening cockpit ports with curtain tracks
- Twelve forward opening deck hatches with blinds
- Two dorade boxes with stainless steel guards
- Two lateral roof windows with insecto-pleated blinds
- Two-section front window with pleated blind
- Roller shades on all deck hatches

INTERIOR LAYOUT

Salon and Lounging

- Wide U-shaped salon to starboard with:
 - Central bench seat with drawer and handrail
 - One piece salon table with fiddles and central storage compartment
 - 2 removable table legs to transform table into double berth (optional)
- Upper storage lockers, storage under seats

Lounging area to port with:

- Two angled seats with central bar furnishing and removable cocktail table
- Upper storage compartment, bookshelves in front of hull ports
- CD/MP3 player in forward corner cabinet and speakers

GALLEY

- Galley located on port side on slightly lower level, one step down
- High-quality resin countertop with: icebox access door, folding stove cover, dish drain, double sink with covers
- 140 litre refrigerator, 12v seawater cooled compressor
- Stainless steel front-loading refrigerator door, shelves, storage bins
- 140 litre icebox, top loading, with storage bins
- Fresh and seawater food pump
- Upper shelf furnishings for microwave, dishes, and storage
- Ventilation hood with venting over the stern
- 3 burner stove with thermostatically controlled oven and electric ignition
- Three cutlery drawers, trash basket on sliding rail
- Storage locker on aft bulkhead
- Access to thru-hulls behind salon seat backrest
- Glass divider between galley and salon
- Mixer tap with flexible hose
- Stainless steel handrail with leather wrap

Navigation Station

- Main electrical panel 12v and 230v, with access to connections
- Curved teak batten navigator seat with support, storage compartment
- Side storage with bookshelf
- 4 drawers on left side, large table with storage, and dedicated computer compartment
- Room for radar screen chart plotter
- Deep foul weather gear locker behind navigator seat
- Access to service batteries under floorboards
- Stainless steel hand rail with leather wrap

Lights and Electricity

- Chrome and stainless steel flush overhead lights
- On/off switches in salon and cabins
- Indirect halogen lighting under side decks in salon
- One 230v and 12v outlet per cabin
- Three 230v outlets in owner's cabin
- Other 230v outlets : galley (2), salon (1), nav station (1)
- Courtesy lighting under stairs in salon and companionway

Companionway and Hull Access

- 2 handrails, solid teak to either side of companionway
- Slotted varnished teak steps with nonskid strips
- Flexi companionway hatch cover, removable plexi hatch door with storage
- Access to front of engine via two panels on lifter arms
- Rear engine access by three removable panels in aft cabin
- Battery switch access panel on port side of companionway
- Access trap to generator hold on lifter arms
- Salon access traps to tanks, bilge, pumps, waterheater

CABINS

Definition of the 2 aft cabins

- Lined and insulated bulkhead between cabins
- PREMIUM double density foam mattresses with bed covers
- Each double berth is transformable into two single berths
- Wood hull liner, light-coloured fabric ceiling liner
- Hanging locker and under berth storage, side shelf along hull
- Fixed teak floorboards with access panels
- Storage for modular pieces under berth

Definition of the 2 forward transformable cabins

- Removable longitudinal bulkhead for transformation to island berth
- PREMIUM double density foam mattresses with bed covers
- Drawers under berth
- Wood hull liner, light-coloured fabric ceiling liner
- Hanging locker and under berth storage, side shelf along hull
- Fixed teak floorboards with access panels
- Storage for modular pieces under berth

Definition of the 3 forward transformable cabins

- Direct access from salon to forward portside head
- Removable longitudinal bulkhead between the two cabins
- Creation of a "master cabin" with side access to the starboard double berth and transformation of the single berths to a bench seat to port.

Double cabin on starboard side with hanging locker, PREMIUM mattress, drawers, and access to forward washroom

- Storage on side of hull or optional additional raised berth
- Wood hull liner, light-coloured fabric ceiling liner

Single cabin to port with 2 single, superposed berths (upper berth folds down)

- Storage under berth
- Side shelf along hull

A double cabin with V-berth, hanging locker and storage in the bow compartment

- Side shelves on hull, room for bow thruster

Washrooms : 2 aft cabins, 2 and 3 forward cabin versions

- Moulded polyester washroom furnishing
- Marine toilet with manual pump
- Hot and cold water shower tap
- Shower drain pump with switch
- Stainless steel washbasin with synthetic resin decorative trim
- Storage under sink, access to thru-hulls
- Clothes hook, mirror, towel ring, toilet paper holder
- Hanging locker over toilet (location for holding tanks)
- Plastic shower grate, folding seat over toilet
- Stainless steel counter handrail

Aft Owner's Cabin

- Double berth 1.60 x 2.05 with mattress battens
- PREMIUM double density foam mattress with bed cover
- Teak hull liner with shelf
- Teak flooring
- Tall hanging locker to starboard, short locker to port
- Storage lockers on both sides of beds, with bookshelves
- Shelves on sides
- Vanity with seat and mirror to starboard, seat to port
- Storage under seats
- Concealed electronic safe
- TV and video pre-wiring
- CD/MP3 radio and speakers
- Overhead halogen lights with switches, LED reading lights at head of berth
- Mirror on forward bulkhead
- Opening ports

Washroom Aft Owner's Cabin

To port :

- Separate shower with teak seat and teak grating
- Shower with hot/cold thermostatic mixer
- Towel cupboard
- Storage under sink

To starboard :

- Identical washroom as in the two aft cabin versions
- Plus : teak grating

Forward Owner's Cabin

- Double berth, 1.60m x 2.03m, mattress battens
- PREMIUM double density foam mattress with bed cover
- Teak hull liner with shelf
- Drawers under berth, change drawer on side
- Teak floorboards
- Large hanging locker to starboard
- Large cupboard with shelves and hanging locker to port

To port :

- Desk with seat, mirror and storage
- Concealed electronic safe
- TV and video pre-wiring
- CD/MP3 radio and speakers
- Halogen overhead lights, with switches and LED reading lights at head of berth
- Mirror on bulkhead

Washroom Forward Owner's Cabin

- Same as double cabin version, with additional :
 - Shower with hot/cold thermostatic mixer
 - Teak grating
 - Stainless steel handrail

Sail locker (except for 3 forward transformable cabin version)

- White hull side panel liners
- Access ladder with storage compartments
- Lower storage compartment, lateral hull shelves
- Access to electric windlass motor
- Waterproof bulkhead between forward cabin and sail locker
- Storage racks for mooring lines and fenders

Optional skippers cabin (in sail locker)

- Upper cross berth, lower longitudinal berth
- Furnishings include sink, hot and cold shower, mirror
- Marine toilet under lower berth (folding berths)
- Electric shower pump, overhead and reading lights
- Roller shade on deck hatch
- Closed-cell foam mattress and mildew-resistant covers

SYSTEMS

ENGINE

- Mounted on fibreglass bed with engine well and ventilation
- Soundproof plastic film insulation and protected edges
- Filter inspection panel at foot of companionway
- Access to engine and generator raw-water intake thru-hulls in passageway
- Structurally sealed metal shaft strut and fibreglass shaft log
- Stainless steel prop shaft, Ø 35 mm, dripless stuffing box, fixed three-blade propeller
- Water exhaust built into engine bed, stainless steel exhaust aft
- Independent engine starting battery, forced ventilation
- Fuel/water separator

Electrical Circuit

- One 12V/80A engine alternator
- Twin input- triple output battery charge distributor
- One 55 Ah AGM engine battery
- One 12V battery park, four 80 Ah Dryfit service batteries
- One 24V battery park, two 55 Ah AGM electric windlass batteries
- One 12V/24V transformer for the 24V battery park
- One 230V shore power inlet with 12V/60A charger and circuit breaker
- One positive engine battery switch, one for service
- Remote control battery switches for the 24V battery bank
- One general negative battery switch
- 12V electrical panel at the chart table with circuit breakers
- 12V charge ammeter, 12V voltmeter, 12V charge circuit selector
- 230V electrical panel with circuit breakers, 230V voltmeter
- 230V source selector switch: dock, generator (option), inverter (option)

PLUMBING

- Hot and cold pressure water, rigid plastic tubing
- "Heavy-duty" water pump, 45 litre hot water heater
- Stainless steel water tanks under the salon, with water fill and separate vents
- Chrome faucets with shower taps in washrooms
- Water meter, separate water gauge for each tank
- Showers with individual electric pumps with on/off switch
- Manual marine toilets

OPTIONS

Mast Options

- Standard furling mast painted white
- Releasable inner forestay
- Electric genoa furling unit
- Spinnaker rigging for symmetrical or asymmetrical spinnaker

Classic mast

- Full-batten triradial polyester/nylon sandwich mainsail
- Triradial cut polyester/nylon sandwich mainsail genoa
- Harken system 8 mast track and battens
- 2 automatic reefs, 3rd classic reef
- Mainsail cover and adjustable lazy jacks

Hull and Deck Options

- Teak deck
- Painted hull
- Luxury chrome hardware: dorades, compass, deck fills, turnbuckle covers
- Large classic dodger
- Classic bimini
- Foredeck sun mattress
- Cockpit cushions with back rests
- Exterior protective covers for windows including set of winch and steering wheel covers
- Electric winches on coachroof and coamings
- Hydraulic gateway
- Retractable davits

PLUMBING OPTIONS

- 12v electric toilets
- Holding tanks with gravity drain for each head (1 tank standard)
- Deck washdown pump

ENGINE AND OTHER OPTIONS

- Max Prop folding propeller
- Gori folding propeller
- Shaft cutter
- Fuel tank in place of water tank, with 12v transfer pump

OPTIONAL LAYOUTS

- Deluxe folding salon table with glass holder
- Double berth (not available with deluxe salon table)
- Teak hull liner, storage shelves with door
- Lounge seats instead of central bench seat
- Leather salon upholstery
- Alcantara salon upholstery

Electrical and Accessory Options

- ONAN 7 KW / 1500 rpm genset 230v
- 24v battery bank combining two 55Ah AGM batteries and one 24v charger
- 24v bow thruster
- 24v electric winch on roof
- 24v electric genoa winches
- 230v air conditioning
- Diesel pulsed air heater, twin units, with: outlet in each cabin, two in the salon, one in each washroom
- 230v washer/dryer 5kg
- 230v microwave
- 12v freezer unit with heat exchanger on exterior of hull
- Sliding LCD TV in nav station that can serve as GPS screen or entertainment center
- LCD TV in aft owner's cabin
- A range of electronic navigation instruments, GPS and autopilot options
