TRANSFORMABLE AND INVITING

The new Cap Camarat 5.5 CC Series benefits from the latest innovations in style and ergonomic design.

The new hull features bold, fluid lines. With her tapered V-shaped hull, her excellent handling at sea is ideal for water skiing, fishing or cruising. With an engine power of 100 or 115 HP, this boat is capable of reaching high speeds while remaining comfortable and fuel efficient.

The console has the look of a fishing boat and an ergonomic design at the helm, directly inspired by the great Cap Camarat. A well integrated throttle gives the driver perfect control. The console features ample storage space, accessible by a double door. An optional chemical WC can also be installed.

With her sliding central seating, the aft cockpit is spacious and inviting, even while the engine is up. A space designed entirely for relaxation, the forward cockpit safely accommodates family members or guests, and can be transformed into a large sundeck. Each moment spent aboard is pure pleasure.

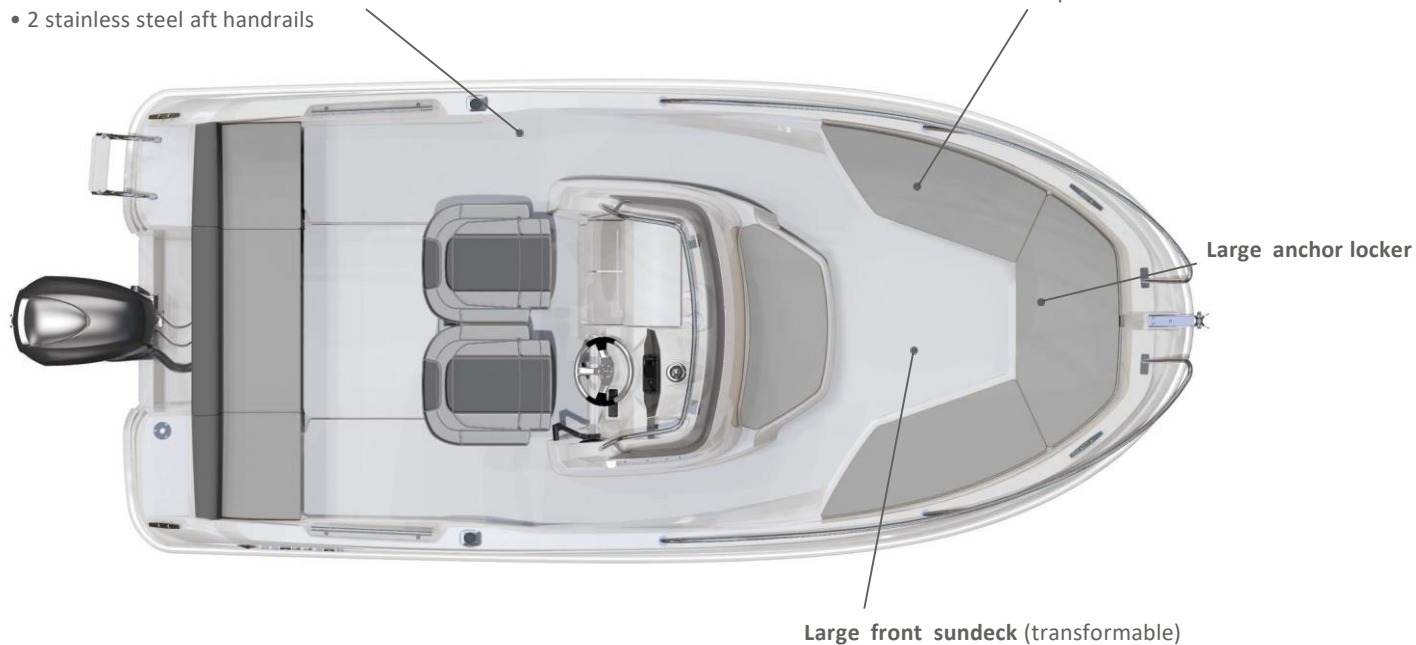

LAYOUT

Security

- Deep cockpit (68,4 cm)
- 2 stainless steel side handrails
- 2 stainless steel aft handrails

Adjustable U-shaped cockpit saloon

- Large open space (good for fishing)
- Removable into an open or closed saloon

LARGE FRONT SUNDECK

(1,82 m x 1,97 m)
Easy installation thanks to the
cockpit table and cushions to
complement the saloon

TRANSFORMABLE AFT DECK

Ample storage place

Accessible by a double door

Ergonomic driving position

- Flat steering wheel (as on 6.5CC & 7.5CC)
- The integrated throttle gives the driver perfect control

2 rod holders (option)

Adjustable seating

- The aft cockpit is spacious and inviting
- With her sliding central sitting, **you can remain seated while the engine is up**
- 2 removable seats in the angles provide open storage space and place for fishing
